The **SoNo Arts Festival** is a large outdoor urban art festival in a historic seaport town of South Norwalk, CT. The show involves multiple art forms and incorporates the local merchants and amazing restaurants. For over 50 years, SoNo Arts Fest has been a beloved community arts event. The vibe is innovative, exciting and fresh. For the many generations that have supported this event, we encourage demonstrations, artist statements and interaction with the eager public. This is a good show for contemporary and innovative work in a wide price range. Juried handmade fine art and crafts are applicable, no buy-sell or reps. The artist must be present to exhibit.

Artists must provide their own display materials and tenting. Weights are mandatory. This is a 2 day show, with overnight security Saturday evening. Due to multiple street closures, the show sets up early Saturday morning. You may leave your display up over night Saturday.
